Prof. Dr. Yu Chuan (Grace) Tsai, MD, FIPP
Chair, World Institute of Pain® (WIP) Taiwan Section
Executive Director & Past President, Taiwan Pain Society
Professor, I-Shou University, College of Medicine
Chief, Pain Management of E-Da Hospital
Taipei, Taiwan

Dear Prof. Dr. Tsai,

On behalf of the full Executive Board and Council of the World Institute of Pain®, we hereby extend and consent to this official invitation to host the, **WIP Taipei Interventional Pain Workshop & First East-Asian FIPP®/CIPS Examination** at National Taiwan University Medical College on 25-27 January 2019.

As WIP commemorates its 25th anniversary, it is a special honor and privilege to realize our collaboration between the Taiwan Pain Society and the National Taiwan University Medical College to bring to Taipei and East Asia the advanced educational and training programs of excellence in interventional pain practice that are synonymous with WIP.

Our Marketing Plan is as has been presented, together with the schedule of General Lectures and Hands-On Workshop procedures. These materials and more can be found on our website for this official event, which is: <http://bit.ly/wiptaipei2019>.

The World Institute of Pain® appreciates your enthusiasm, encouragement, and support of this initiative to strengthen our Founding Fathers' mission of excellence in standards of pain medical practice in East Asia.

With warmest regards,

Craig T. Hartrick, MD, FIPP
WIP President

Ricardo Ruiz-López, MD, FIPP
WIP Past-President and Founder

The Official Journal of the World Institute of Pain®
